Culata - NY 03.03.2008

Dear Sir,

In order to answer your questions received by e-mail on March 03, 2008 here my answers:

1. I designed the sketch NI
2. As I remember this sketch is original
3. I don't have the date or year when the sketch was created
4. I still have a copy, the chain reading and the lay-out
5. Sketch, lay-out and chain reading were paid by Rolf Müller, Linfalle
6. I don't remember anything special
7. The initials are not mine. I always sign OK.

In the hope that I could help you

Jolanda Kramm
